LIST OF ATTACHMENTS: Biographical information regarding Mr. Dillon

Paul E. Dillon  
Biographical Information

Paul E. Dillon has been with MAMSI since November 1989 in a number of operating positions. He was elected Senior Vice President and Treasurer in April 1994. Mr. Dillon has been a member of the Board of Directors for MD-IPA and Optimum Choice, Inc., two of the operating HMO's of MAMSI. Previously he held positions as Vice President of Quality Improvement and Vice President of Billing and Enrollment. Mr. Dillon is past Chairperson of the Legislative Committee for the Virginia Association of Health Plans and just completed a 6 year term as a member of the Board of the Virginia Health Information Group. MAMSI has just completed a merger with United Health Group.

Mr. Dillon has a BS in Business from St. Francis University in Loretto, Pa. and an MBA in International Business and Finance from Pace University in New York.

Mr. Dillon has lived in Gaithersburg for 17 years with his wife, Sharon, and has two college age children.

Elizabeth Sammis, Senior Vice President for Corporate Communications and External Affairs for Mid-Atlantic Medical Services (MAMSI), was appointed to the Board by the Mayor and Council in April of 2003. Due to her increased duties at MAMSI because of its merger, Ms Sammis has resigned from the REDI Board. Because REDI would like to continue having a representative from a large corporation such as MAMSI on the Board, Ms Sammis and the president of MAMSI recommended MAMSI Chief Financial Officer Paul Dillon. The Board of Directors voted unanimously at their May 2004 meeting to recommend to the Mayor and Council the appointment of Mr. Dillon to fill out the term (2006) of Ms Sammis. A new list with Mr. Dillon's information is included.
